FAST GAME

Won by Mountaineers by Playing Air Tight Ball and Hitting at Opportune Times.

BELLEFONTAINE, Pa., April 24.—By taking advantage of all the slip-ups on the part of the opposition, West Virginia won a close and exciting game from Bellefontaine here Thursday by the score of 2 to 1. Both Chenoweth and Snyder pitched good ball but the Mountaineers gave their hurler the best support. West Virginia's first run came in the fourth when Dille scored Long from second on a two base hit to left. The winning run came in the eighth. Leatherwood first up hit to left, stole second and scored on Long's double to deep left. Bellefontaine scored in the second on two successive hits. Besides pitching, Pott's hitting featured. The score:

Pawva League Lore

The new ball park at Uniontown will have a row of boxes along the front of the grand stand. President Paige, of the Hustlers, erected these boxes at the urgent request of several prominent Uniontown citizens who enjoy being near the playing field.

Manager James B. Mack, of the Connellville Cokers, has tied the "can" to four players. Mack was sorry he had to release the boys without a trial but he has signed several experienced men during the last week and realized the youngsters would have little chance of making the team. To save unnecessary expense Mack decided to let them go.

A new pitcher has been signed by the Uniontown club. He is A. J. Donnelly, a right hander hailing from Van Vorhis, W. Va. The player comes highly recommended by "Ike" Rice, former owner of the Steubenville club.

Charlier, of Sorenson, of Chicago, Ill. Sorenson is a promising youngster and comes highly recommended to the "Governor" management. He played with the Logan Squares last season, the Chicago semi-pro team that was formerly managed by Jimmy Callahan, present pilot of the White Sox.

Manager Needham, of the Fairmont club, will have his players report the early part of this week. Needham has a large number of players to try out and will keep the boys busy once they arrive in Fairmont.

It is expected several of the players under contract to the local club will arrive in town by Saturday. Manager Shannon has received several urgent appeals for transportation and the boys are anxious to come on at once. Shannon doesn't want them here too early and has designated April 29 as reporting day.

The Minnesota supreme court has upheld the non-partisan primary law of that state. More than 400,000 acres of land in Oregon will be thrown open to settlers in June.

COLTS

Will Start Spring Training at Union Park Early Next Week.

With one player already on hand and several others expected to arrive here tomorrow night the baseball situation in this city is becoming an interesting one. There will be much activity at Union Park next week for Manager Shannon will be busily engaged in weeding out the many players who will be working out. The local pilot has notified all players under contract to the Clarksburg club to report not later than May 29. The first exhibition game will be played May 2 at Grafton.

Hugh Shannon will leave for Uniontown tomorrow morning, where he will attend a meeting of the P. A. W. V. A. league managers Sunday. Many important topics will be discussed, and everything completed prior to the opening of the season. It is expected President Mackinnon will announce the make-up of his umpire staff.

All the clubs in the P. A. W. V. A. circuit are preparing for the coming campaign with a determination to win. The list of managers in the new league show that each club is piloted by an experienced man. O'Day, manager of Charleroi, has had Class A experience; Jimmy Mack, the Coker leader, has played with Baltimore, Buffalo and Providence and knows the game from A to Z; Needham, Fairmont's boss, was with Montreal three years, and has a wide acquaintance among ball players; Sullivan, the Tuber manager, has won two pennants in the Empire State league; Paige, the chief of the Uniontown Hustlers, has been very successful as a minor league pilot; and Hugh Shannon, skipper of the Clarksburg Colts, has the best record of them all. He has won two pennants and finished second twice in the last five years. From this viewpoint it appears as though there will be a bitter fight for first place honors in the initial year of the Pawva.

HOW RESINOL CLEARS AWAY UGLY PIMPLES

It is so easy to get rid of pimples and blackheads with Resinol, and it costs so little, too, that anyone whose face is disfigured by these pests is foolish to keep on with useless cosmetics, or complicated "beauty treatments." See how simply it is done: Bathe your face for several minutes with Resinol Soap and hot water, then apply a little Resinol Ointment very gently. Let this stay on ten minutes, and wash off with Resinol Soap and more hot water, finishing with a dash of cold water to close the pores. Do this once or twice a day, and you will be astonished to find how quickly the healing, antiseptic Resinol medication soothes and cleanses the pores, leaving the complexion clear and velvety. Resinol stops itching instantly and speedily heals skin humors. Resinol Ointment and Soap sold by all druggists. For free trial size, write Dept. K. K. Resinol, Baltimore, Md.

WE LOVE AMERICANS, SAYS MEXICAN ENVOY

Charge d'Affaires Algara.

"Huerta or anyone else will have a difficult time raising an army to fight the United States. Why, the great rank and file of my people love you Americans as brothers and bearing arms against you is the last thing we are considering." This is the remarkable statement made this week in Washington by Charge d'Affaires Algara, now at the head of the Mexican embassy in the national capital.

NOTICE TO WATER CONSUMERS

All water consumers who are not paying for the sprinkling privilege and desiring to use a lawn or street sprinkler in connection with the domestic supply must first obtain a permit from the office, and any person or persons using city water without first obtaining a permit shall be liable to a fine of two dollars per day for every day said water is so used. In sprinkling streets each water taker must confine himself to the number of feet mentioned in his permit. Nozzles larger than one-fourth inch will not be permitted, except up-

on additional charge, and sprinkling without a nozzle is forbidden. Sprinkling streets and lawns is restricted to two hours per day, one hour between 5 and 10 a. m., and one hour between 5 and 8 p. m. If a street sprinkler or hose is found out of order, leaking or used for any other purpose than that for which it was intended, the supply will be cut off without previous notice.
